**Why do you want to serve as an ABoR director?**

I am very big on analytics. I like to study positions prior to making a call on how to act on an item. I really look forward to supporting the MLS in the shift to its next chapter. I think there are many big decisions still affecting our industry that require us to leave our person opinions at the door and look at what is best for our membership. One thing I am always and will always allow people to contact me and be heard. This petition process makes you reach out and talk with my peers to let them know I am interested in serving. I have become a fixture at the BoD meetings over the few years.

**What do you do in your personal time? Do you have any hobbies?**

I am an avid dad and supporting spouse of a road warrior. My hobbies include motorcycles, foodie, national park lover and avid traveler.
