ABoR - Global Committee (2018)  
Volunteer with Salvation Army, Central Texas Food Bank and Coats-for-Kids

**Why do you want to serve as an ABoR director?**

I have been blessed to get the support and help from many agents as I grew my business and believe one of the best ways to give back is to volunteer with our trade organization. I have volunteered on various committees over the years and would now like to be engaged at a higher level so I can be the voice of the agents and represent the issues of new agents that somehow haven't been truly addressed as we shape the policies and procedures. Additionally, the Board lacks the diversity and does not truly reflect the diverse, global and cosmopolitan nature of Austin. I would like to represent and put forth the issues faced by the agents from minorities so that they can be addressed as we move forward.

**What do you do in your personal time? Do you have any hobbies?**

I like to read and love music of various genres. I like to take random road trips. Additionally, I help my sister organize and bring cultural events and Bollywood shows to Austin. I like to volunteer with Salvation Army, Central Texas Food Bank and Coats-for-Kids, especially during the holiday season.
