2019-2020 ABoR Global Ambassador,

Why do you want to serve as an ABoR director?

After being involved in many organizations, I've realized it is not enough to just be a member. You have to step up and get involved in leadership positions in order to make a bigger impact. I want to make sure everyone is represented and their voices heard no matter what their background is. Whether you are a small brokerage or large, or in leasing and property management, or commercial, everyone will have a voice through me.

What do you do in your personal time? Do you have any hobbies?

I love to travel with my family and friends.
