Why do you want to serve as an ABoR director?

After serving on the board for three years I have realized there is still so much work to be done. As a Broker of a large real estate brokerage I work a great deal with brand new agents as well as experienced agents and it is vital that they all have their voices heard in those board meetings. I also would represent a broker that has an office in Hays County where we must belong to multiple MLS's. I want to ensure that voice is heard as well as I believe it is important we make progress towards a more unifying option not only for agents but for our clients as well.

What do you do in your personal time? Do you have any hobbies?

I love to travel, read books and go to the movies. However, I have a 14 year old that is in competitive cheer and that keeps me very busy in my free time.
