Why do you want to serve as an ABoR director?

I have enjoyed serving in leadership on the TREPAC and LMT committees. Advocacy is critical to our success as a profession. I would like to take my experience and enthusiasm to the Board.

Furthermore, I appreciate the services, support, and education opportunities provides to its members. ABOR has been very forward-thinking on providing the knowledge and tools for us to be competitive and successful in the ever-evolving Austin real estate market. We are lucky to be members of the best Realtor association in the state, and I would like to be part of its leadership. I would appreciate your vote for me to be an ABOR director so that I can serve this organization at the highest level.

What do you do in your personal time? Do you have any hobbies?

I enjoy hiking, camping, bicycling, playing trivia and traveling. Sometimes I get into photography, kayaking, and fishing. In the past I hosted a series of trivia nights as fundraisers for various charities and non-profits. And of course, I love spending time with my giant dog, Gus.
