Why do you want to serve as an ABoR director?

I have had the opportunity to be lifted up and supported into leadership opportunities by Realtors/Leaders currently serving. If my service can truly help even just one single Realtor elevate their business then the volunteer time would be worth the effort. I truly want to help Realtors succeed not only in the business but in finding joy in their lives!

What do you do in your personal time? Do you have any hobbies?

I love to cook and entertain friends and family. You can also find me paying close attention to the movement of planets, reading, looking up at the stars, pulling a Tarot card or two, hanging out with my awesome adult daughters (and the doggies), and doing home decorating projects.
